

Learn. Care. Flourish

Staying Connected with SHC

Class of 2020

Alumni Enquiries: Sharon Lanteri - Ph: 5421 1200

Tell us your story

Tell us your story

We would love to hear how you are going, and what you're up to. We could feature you in an article for the College website, magazine and our Alumni publication '*Where are they now*'. The story of your journey helps inspire current students!

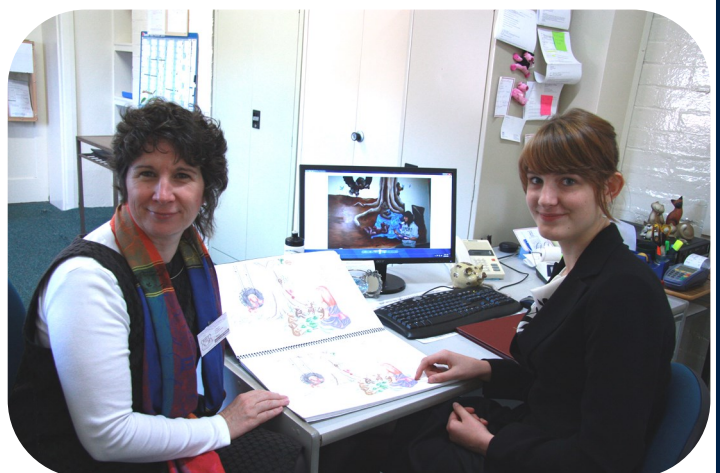

Year 12 Lunch/Careers

Come back and speak to our current Year 12s, they'd love to hear of the career path you've taken, and how you went about achieving your goal. Your experiences help guide the students with their journey/career path after SHC.

Mock Interviews

Would you like to be part of our Mock Interview process? Our Year 10 students are guided in presenting themselves for a job interview, including resume writing. Many businesses throughout the Macedon Ranges kindly donate their time to interview our students as prospective employees for mock positions.

Donations, Sponsorships or News

Donations to the Archives

Do you have any photos, memorabilia or stories you'd like to donate or loan for special occasions to the Archives? We're especially looking for old items of uniform, College magazines, drama and music programs.

Make a bequest or sponsor an award or event

You may like to sponsor our GVBR team, and have your business name placed on the guernseys. Sponsor a production or an award, naming it after your family or business.

News Articles

Share your news; engagements, marriages, births, deaths, new job, travel etc. Keep us updated, we'd love to share your news with the College community.

Businesses, Reunions & The Chapel

Do you have your own business?

Send me your details or scan and email your business card. We would like to start an Alumni Business Directory on the website. Share your services with the College Community, maybe offering some 'Mates Rates'!

Reunions

Wanting to organise a reunion? We can help. Come back for an afternoon and take a trip down memory lane with a College tour, look through old photographs and magazines. Step back in time with a walk through Chisholm Cottage, check out the College museum and archives.

The Chapel

Did you know that as a past pupil the College Chapel is available to you for weddings and baptisms?
